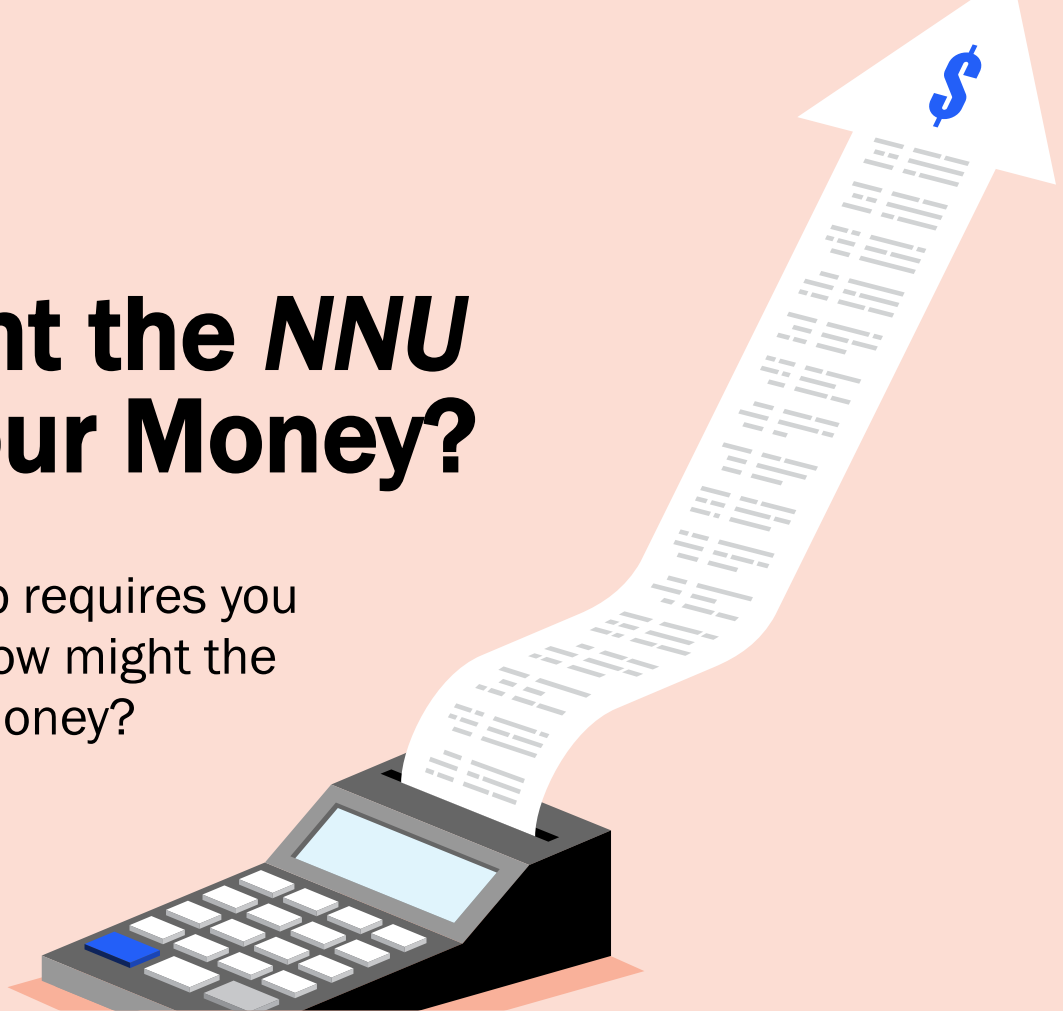
Endeavor Health

How Might the *NNU* Spend Your Money?

Union membership requires you to pay dues... so how might the NNU spend your money?



$1,900,000

That's how much the NNU spent last year on travel, including luxury hotels, resorts, and travel agents.[1]

$1,600,000

To support political candidates and lobbying efforts—and remember, rank-and-file members do not get a say in what political causes the union supports.[2]

$0

All this money to travel in luxury and advance political causes you may not agree with, yet the NNU reports having **$0 in strike benefits** for its own members.[3]

What will NNU do with *YOUR* money?
