Wrong Time, Wrong Place... from the Teamsters

If the Teamsters can't get things right now, how can you trust them to represent you and your interests later?

The National Labor Relations Board (NLRB) is the federal agency in charge of union elections. Endeavor Health has been working with the NLRB and the Teamsters to make sure everyone who is eligible to vote can do so at a time and location that works best for your schedules.

But while we were working with the NLRB and the Teamsters to finalize these details, **the Teamsters acted prematurely and posted the wrong voting dates and locations online.**

Giving Endeavor Health team members incorrect voting information is just one more example of how the Teamsters is NOT required to provide you with fact-based information and is more focused on lining their pockets with your dues money as soon as possible.

Now that Endeavor Health and the Teamsters have agreed on election dates and times and they're confirmed by the NLRB, we are sharing accurate, verifiable information with you.

We encourage you to get the facts. Endeavor Health is committed to ensuring you have all the information you need to make an informed decision.

NO UNIONS = VOTE NEITHER!
